HEARTH PRODUCTS

Designed to heat.
Built to Last.

For over 30 years, unsurpassed quality and craftsmanship have made us an industry leader in innovative heating systems. Design, functionality, and efficiency merge to create exceptional products that will exceed all expectations. Whether time-honored traditional or bold and modern, our dynamic range of products will compliment any home décor. With a complete line of fireplace inserts, zero-clearance fireplaces, and freestanding stoves, we have the perfect solution for your heating requirements. We won't just meet your expectations; we'll exceed them…

The Westport | STEEL

MEDIUM GAS STOVE

Description

The Westport Steel Gas Stove is an affordable solution for a midsize to large living space. It offers the performance of the original Westport Cast Iron Gas Stove with a more modern design and steel outer construction. It's available in both Nova or IPI and can be vented top or rear, and is also compatible with a B vent.

Design Features

- Remote thermostat compatible
- Steel construction
- Ceramic log set
- Quick release glass door system
- Top vent / rear vent / B vent
- ClearView Safety Screen
- Optional 150 CFM fan
- Nova and IPI editions

Stove Specifications

Turn Down*	up to 50%		
Heating Area	1,700 ft^2		
P4 Efficiency	64.9%		
Glass Size	336 in^2		
Stove Dimensions	HEIGHT 27½″	WIDTH 26¼″	DEPTH 19½″

** Turn down is based on Nova valve*

Formed steel outer construction

High definition log set

Easy access controls

Description

As our entry level gas stove, the S20 is the perfect solution for a smaller to mid-size living room. Its modern design blends well with a variety of décor, and its small footprint offers greater versatility in placement. It's available in IPI and can be vented top or rear.

Design Features

- Field conversion kit NG to LP
- Thermostat or remote compatible
- Ceramic log set
- Charcoal fluted liner
- Top vent / rear vent convertible
- Heavy duty heat exchanger
- Easy access controls
- 150 CFM variable speed fan
- ClearView Safety Screen
- IPI Valve

Stove Specifications

Modern Curved Design

Westley - Antique Bronze

Westley - Painted Black

Description

The Westley's European cast iron outer construction creates a traditional aesthetic with modern accents. What really sets the Westley apart is its 180º viewing angle giving plenty of exposure to the high definition log set and stainless steel burner. The Westley is available in both a matte black finish or an antique bronze.

Design Features

- European made castings
- 180° viewing angle
- Heavy duty heat exchanger
- B-vent compatible (IPI)
- 130 CFM variable speed fan
- ClearView Safety Screen
- Ultra HD log set
- True to life flame presentation
- Multiple Finishes:
  - Painted Black
  - Antique Bronze

Stove Specifications

BTU Maximum Input - NG	29,000 BTU		
Turn Down	33%		
Heating Area	1,500 ft^2		
P4 Efficiency	67%		
Glass Size	525 in^2		
Stove Dimensions	HEIGHT 27½″	WIDTH 26¾″	DEPTH 19 9/16″

The Westport
MEDIUM GAS STOVE

Description

The Westport Cast Iron is one of our most popular freestanding gas stoves. Its traditional design and cast iron outer construction provide a classy appearance. The Westport Cast Iron Gas Stove is available in a painted black matte finish or an antique chestnut porcelain enameled finish. It can be vented top, rear, and is also compatible with a B vent.

Design Features

- Remote thermostat compatible
- Cast iron outer construction
- Ceramic log set
- Quick release glass door system
- Top vent / rear vent / B vent
- Safety screen
- Optional 150 CFM fan
- Nova and IPI editions
- Multiple Finishes:
  - Painted Black
  - Enameled Antique Chestnut

Stove Specifications

BTU Maximum Input - NG	30,000 BTU		
Turn Down*	up to 50%		
Heating Area	1,700 ft^2

High definition log set

Enameled antique chestnut finish

Description

The S40 Freestanding Gas Stove offers a maximum BTU output of 40,000 making it excellent at heating large living spaces. It has a modern design and a 5/16" steep plate top. Instead of a typical burner tube layout, the S40 uses a ceramic log burner that blends in with the rest of the log set to create a more realistic appearance.

Design Features

- Heavy duty heat exchanger
- Thermostat or remote compatible
- Ceramic log set and burner
- 5/16" steel plate top
- Ceramic charcoal fluted liner
- 150 CFM variable speed fan
- Optional B vent adaptor
- ClearView Safety Screen
- IPI

Stove Specifications
